

## Lesson 2 – Task

Welcome back! You now know how to record your voice and how to save it as MP3. Why not tell us something about you and your podcasting experience and upload it to our forum?

**Your task for today:**

- record an audio file in which you tell us a little bit about you and your podcasting experiences so far
- export it as MP3
- upload it to our forum (Day 2 – Results)

If you have any questions, please post them in the forum in “Day 2 – Questions”. The other thread is for uploading MP3 files only. Thank you.
