

INVENT YOUR OWN COUNTRY: MOLOSSIA

By Rena Triantafyllou

Molossia is an invented country in the U.S.A. It may be not recognised by everyone but...it has its own flag, stamps, currency, its own president, a navy made of kayaks and even an enemy neighbouring country!

- **Task 1:** Watch the two YouTube videos below to find out things about Molossia. Then do the "[Discover Molossia Quiz](#)" to practise on your knowledge about this incredible country!
 1. [The Country Where People Pay in Cookie Dough \(YouTube shorts\)](#)
 2. [Welcome to the Republic of Molossia - A Country in Western Nevada | LX News](#)
- **Task 2:** You can now spot the Republic of Molossia on [Google Earth](#) by entering the name "Molossia- USA" next to the search button as below. You can also check more information on Molossia

in its own [official website](#) (optional task= προαιρετική εργασία).
Have fun!
