

Project time: **Unsolved mysteries!!**

1. Work in groups. Investigate one of the world mysteries below in order to make a presentation to your class.

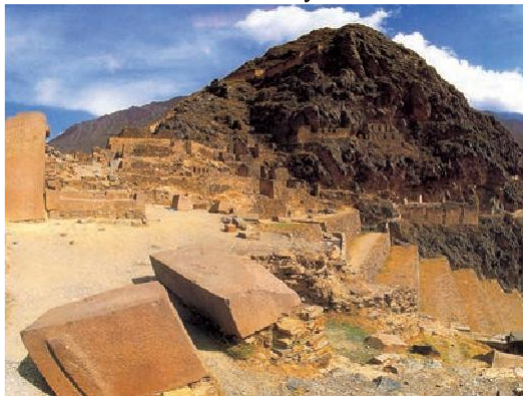

- Stonehenge
- The Great Pyramid
- The Sphinx
- Baalbeck
- Tiahuanaco
- Easter island statues
- Ollantaytambo
- Sacsayhuaman
- Kailasa Temple
- Al-Khazneh

Easter island

2. Research the monument you have chosen. You can find information by looking through newspapers and magazines, relevant books or online sources such as www.world-mysteries.com / www.mysteriousplaces.com / www.discoverychannel.ca.

3. Select the information you want to include in your presentation.

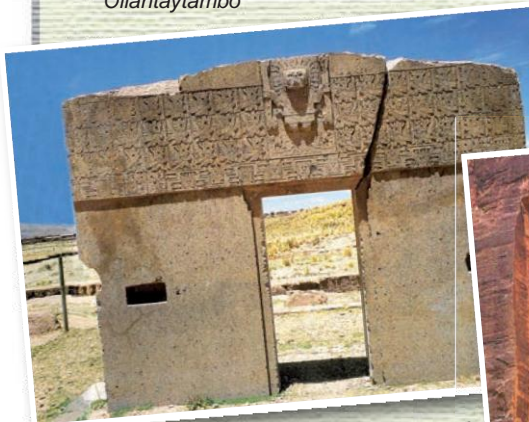

Ollantaytambo

The following questions might help you:

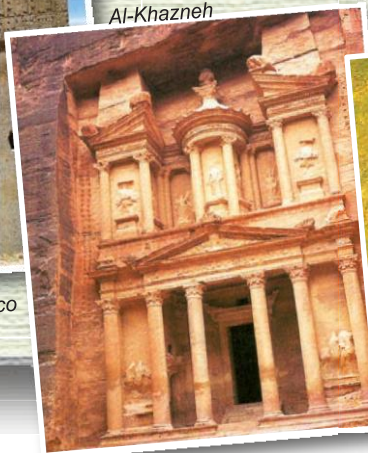

- When were these monuments made? By whom?
- Where were they found?
- What were they like?
- Who discovered them?
- What materials were used to build them?
- Which were the most important artifacts found?
- Who lived there?
- What were they originally used for?

4. Find pictures to go with your presentation.

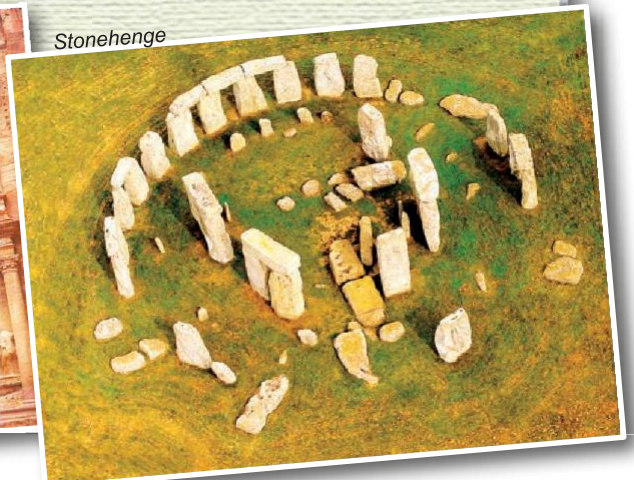

5. Present your work in class.

Tiahuanaco

Al-Khazneh

Stonehenge
