**Have you
heard?
Kids don't
have to go to
School!**

You might wonder **(1)** ____ kids have to go to school. It's true that kids must be **(2)** ____, but it's legal to be schooled at home. In fact, more **(3)** ____ one million students do it. These kids can learn just **(4)** ____ they do in regular school, but their parents are **(5)** ____ charge of their education.

Homeschool parents must **(6)** ____ sure that their kids get the instruction and the experiences they need. The parents may also have to file paperwork to the state to explain who's teaching the kid and which subjects are **(7)** ____ covered.

Parents choose to homeschool their children **(8)** ____ many different reasons. Sometimes, a child is sick and can't go to regular school. But **(9)** ____ often, kids are homeschooled **(10)** ____ their parents feel they can give their child a better education than the local school can.
